

LOVE FOUNDER STORIES?**WANT TO HELP BREAK A WORLD
RECORD HERE IN BRISTOL?
THIS IS YOUR OPPORTUNITY**

If you're a great comms person who is well organised, this is for you.

You'll manage the running order on one side, then help tell BTS founder stories. It's the closest thing be HEARD has to a director's chair, and it comes with full editorial control.

We are attempting to break the Longest Interviewing Marathon, which currently stands at 56 hours and 10 minutes.

WHAT YOU GET

- A named takeover: every piece of content you capture goes out as "be HEARD. takeover by [you]"
- Full editorial control. Your shift, your eye, your voice. Repost everything to your own channels
- Your own room: the post-interview exit space is yours, where every founder lands minutes after the chair
- You ask each founder three exit questions while the adrenaline is still up. Raw, honest, gold
- Your name and face on the be HEARD. crew wall at beheardlive.co.uk/#volunteers, and first-hand access nobody else gets
- Access to a certificate with your name on it (if we break the record)

WHAT YOU DO

- Own the running order for your shift: keep the WhatsApp group updated on the schedule, flex the running order if anyone runs late, call the reserve bench if a chair is ever at risk (hopefully never)
- Capture BTS as it happens: photos, shorts, quotes, moments. A mobile is all you need
- A handful of official photos per shift for the record evidence pack (wide shot, interview in action, witnesses at work)
- Run the exit chats with the three questions

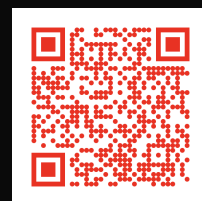

WHAT YOU DON'T DO

Everything heavy is handled. Films at 59 supply runners around the clock (refreshments throughout), a senior leader on site and AV tech running four cameras including the livestream, plus two independent witnesses watch the record itself. You never touch official footage, book travel, or chase anyone for anything that isn't on your shift.

THE SHIFTS

Each shift is 8 hours, but we are open to splitting into 4 with someone else. Friday evening, Saturday overnight and the small hours of Sunday are still open. If you make content, this is the weekend your camera roll has been waiting for.
